# PRESS RELEASE

The DeakNbuilT LLC Desert Race Truck will not be racing the second MDR race of the season. Instead, it will be on display in the midway at Primm, Nevada for all three days of the inaugural *Lucas Oil Off-Road Racing Series*. Team owner Chuck Deakins said that Lucas Oil has supported us for years and it is only right that we support them in their efforts to establish the premier west coast short course series. This is an event that we simply did not want to miss. We are excited at the potential and the commitment that Lucas Oil has shown in creating this series and consider ourselves fortunate to be able to be involved. It is going to be a great series.
