

It is happening! This is the weekend that we are all taking our trucks bikes and toys out to Lucerne Valley for some much needed get-a-way time. We will be pre-running, bike riding and generally do a lot of bench racing.....were the best at that! If you can make it, meet us off Bessemer mine road where MDR has start finish for the Lucerne races. We'll be there Friday, Saturday and half the day on Sunday.

Race on!
